# Tea Service for trade

## For the ultimate consumer experience

Work with us to create a bespoke tea experience for your dining rooms afternoon tea service. From our designer tea menu, we will create something truly unique to compliment your establishment and provide your guests with the five-star tea they deserve.

If you want to attract the top end customers then you need to choose a high luxury tea capable of satisfying their indulgent tastes and demand for excellence.

An Amber Rose Tea is an experience, with rich smells, distinctive colours and one of a kind packaging to compliment the superb taste. If you want to give your consumers the best then give them Amber Rose. Fine tea can only be served the finest way and we want your staff to feel confident infusing and serving our teas to bring out the best in every cup. To make this possible we provide extensive on site training and hold educational sessions in London throughout the year.

Complete your guest experience by adding a selection of our luxury in-room envelope wrapped Tea Sachets. We welcome enquiries from luxury retail outlets who want to delight their consumers with an extravagant tea offering.

We supply:

- High-End retail
- Hotels
- Fine dining Restaurants
- Private Members Clubs
